

Performance 2008 Friends and Family Sponsors

It's that time of year again! Our annual performance is fast approaching and we are beginning to put together this year's playbill. Once again, we are offering the friends and families of our dancers the opportunity to show their support for their favorite dancer or class by placing a message for them in the program. Also, this is an excellent chance to advertise your business by placing a sponsorship ad.

All patrons are due by no later than Saturday March 29th, 2008.

This will ensure that your ad is received and included when we send our playbill to the printer. Thank you for your support!
